

DEFIBRILLATOR TRAINING

**2pm Thursday 15th February or
7.30pm Wednesday 21st March
in the Chapel Sunday School**

The Parish Council has now purchased a defibrillator that will very soon be located on the external wall of the Chapel Sunday School. Its range will cover the whole of Syresham.

As part of the package East Midlands Ambulance Service are providing 2 free training sessions to show local residents how to use the defibrillator. We hope that as many people as possible will attend one of these courses.

If you intend to come along can you please inform the Parish Clerk by phone on 01280-851178 or by email parishclerk@syresham.com
